About Deutsche Bank

Deutsche Bank provides retail and private banking, corporate and transaction banking, lending, asset and wealth management products and services as well as focused investment banking to private individuals, small and medium-sized companies, corporations, governments and institutional investors.

Deutsche Bank conducts its business in four client-centric divisions:

- The **Corporate Bank** is the hub for corporate and commercial clients;
- The **Investment Bank** focuses on its traditional strengths in financing, advisory, fixed income and currencies;
- The **Private Bank** focuses on private customers across all segments as well as smaller business clients. It will build on its position as the market leader in Germany, as a focused bank in Europe and a highly competitive global wealth manager;
- The **asset manager DWS**, in which Deutsche Bank still retains a significant stake, continues to pursue its objective of becoming a top-10 asset manager globally.

Deutsche Bank is ...

- the leading bank in Germany with strong European roots and a global network;
- aligned to the strengths of the German economy in trading and investment;
- focused on the respective needs of its corporate and commercial clients and its private and institutional clients;
- the risk manager and trusted advisor for its clients.
