Envisaged areas of co-operation between Postbank and PBC

Mortgages / home finance

Rationale: Postbank is a market leader in prime segment for standard mortgages

- DSL may become preferred provider in this segment for PBC
- Postbank (BHW) and PBC will explore cross-sell opportunities for their respective products under the brands of BHW and db Bauspar

Investment products & advice

Rationale: Postbank seeks opportunities to increase product penetration of its core clients

- DWS and X-markets may become preferred providers for Postbank
- Explore possibilities to offer PBC's standardized Discretionary Portfolio Management and active advisory products to customers of Postbank

Joint purchasing / infrastructure

Rationale: Realise economies of scale

- Parties will explore benefits of joint purchasing power, and of sharing development and running costs
- Parties will explore cross-usage of IT know-how and system modules

Agenda

2 Deutsche Bank: Strength in challenging conditions

3 Furthering our strategy: Deutsche Postbank

4 Strategy: Continuing to play to our strengths

Strategy: We stay the course

Management Agenda Phase 3

2006 – 2008:
Leveraging our global platform for accelerated growth

Maintain our cost, risk, capital and regulatory discipline

Continue to invest in organic growth and 'bolt-on' acquisitions

Further grow our 'stable' businesses in PCAM and GTB

Build on our competitive edge in CIB

Leveraging our global platform for accelerated growth

Investment Banking

- Market conditions impact structured credit
- Share gains in 'flow' products
- Growth in non-OECD markets
- Growth in Commodities, Prime Services
- Share gain in Corporate Finance
- Redeploying resources to growth areas

'Stable' businesses

- GTB: Further momentum / leverage Dutch acquisition
- PBC: Co-operation with Postbank
- PWM: Growth reflects prior year investments and net inflows
- AM: Market conditions impact retail and real estate

Capital, liquidity and exposures

- Continue to focus on reducing exposures
- Sustain strength of core capital ratio
- Sustain access to liquidity, exploiting a strong funding base

- **No change to strategy: We stay the course**
- **Business model re-affirmed: Core businesses and 'one-bank' approach**
- **Strict management of costs and risks**

Cautionary statements

This presentation contains forward-looking statements. Forward-looking statements are statements that are not historical facts; they include statements about our beliefs and expectations and the assumptions underlying them. These statements are based on plans, estimates and projections as they are currently available to the management of Deutsche Bank. Forward-looking statements therefore speak only as of the date they are made, and we undertake no obligation to update publicly any of them in light of new information or future events.

By their very nature, forward-looking statements involve risks and uncertainties. A number of important factors could therefore cause actual results to differ materially from those contained in any forward-looking statement. Such factors include the conditions in the financial markets in Germany, in Europe, in the United States and elsewhere from which we derive a substantial portion of our trading revenues, potential defaults of borrowers or trading counterparties, the implementation of our management agenda, the reliability of our risk management policies, procedures and methods, and other risks referenced in our filings with the U.S. Securities and Exchange Commission. Such factors are described in detail in our SEC Form 20-F of 26 March 2008 under the heading “Risk Factors.” Copies of this document are readily available upon request or can be downloaded from www.deutsche-bank.com/ir.

This presentation may also contain non-IFRS financial measures. For a reconciliation to directly comparable figures reported under IFRS refer to the 2Q2008 Financial Data Supplement, which is accompanying this presentation and available on our Investor Relations website at www.deutsche-bank.com/ir.
