

Deutsche Bank Group in Mauritius

For more than 20 years Deutsche Bank has maintained a presence in Mauritius where it began in 1995 as a managed trust company and later, in 1999, was granted a banking licence. Subsequently Deutsche Bank opened its office at Caudan Waterfront, in Port Louis.

Today, Deutsche Bank (Mauritius) Limited employs more than 280 staff, providing a comprehensive range of banking services to financial institutions and international investors.

Within the Mauritian financial sector, Deutsche Bank holds a unique position as the only international bank in the country with both banking and management company entities: Deutsche Bank (Mauritius) Limited as a licensed bank and Deutsche International Trust Corporation (Mauritius) Limited as a licensed administrator/management company.

This allows us to offer a 'one stop shop' solution by providing not only the corporate and fund administrative services, but also banking and treasury solutions. Deutsche Bank has the capabilities and track record of providing clients with a comprehensive, seamless and cost efficient service offering.
