The reward for 42 hours of hard work: The winning teams at the Deutsche Bank Hackathon.

Photo 2

Deutsche Bank Hackathon API/Open: Software development takes a lot of teamwork. 70 creative minds from 22 countries took part in the competition.

Photo 3

Deutsche Bank Hackathon API/Open: 14 teams had 42 hours to develop exciting apps. Sleeping space was available for those who needed some downtime.

Photo 4

The team is confident: this is how the algorithm works – the app is going to run properly.
